Dear Principal

## **British Council International School Award 2013 - 14**

It gives us immense pleasure to share with you the assessment results for the International School Award (ISA) 2013-14. The portfolio submitted by your school has been APPROVED and your school has been successfully awarded with the British Council International School Award for the period 2014-17.

### **Congratulations for all the hard work!!**

The Award will be formally presented to your school in a ceremony later this year. The assessment panel has provided the following summary feedback for your portfolio –

“A very well planned and executed project. Students were mentored well. Good quality of teacher mentoring was evident. Apparent enjoyment of students/teachers evident. Summary sheets not filled correctly.”

You will receive the ISA logo kitemark with the guidelines soon. We would like you to send us a 300-word story on the ISA journey of your school and the impact of this experience on students' learning and the overall school community. We will use excerpts from your story for our annual Souvenir/ case studies for the website.

We wish you further success in all your efforts to further strengthen the international dimension in the curriculum. We cherish the strong association with your school and hope to receive full cooperation for our programmes in the future.

Warm wishes

Purti Kohli  
Project Manager (NI)
